Notice of Website Renewal

Thank you for visiting our website.

The website has been renewed effective June 30, 2023.

In this renewal, we renewed the entire site design and layout to create a more user-friendly website for everyone, and built an environment that is easy to view from smartphones and tablets, not to mention PC terminals.

In addition, ESG-related items have been expanded, and by dividing pages by category, we have created a page structure that allows users to more quickly find the information they want to search for and a layout that is easy to read when printed.

We will continue to focus on expanding the functionality and content of our website to provide you with useful information.
